## What is Foo?

Auckland artist Robert Carter confronts the man in the machine.

### The work

*Foo* is a representation of our relationships with machines, both on a formal and an aesthetic level. It examines how the machines we create reflect their creators.

### Quote

" When I am Working on a problem,  
I never think about beauty.  
I think only of how to solve the problem.  
But when I have finished,  
if the solution is not beautiful,  
I know it is wrong. "

R. Buckminster Fuller

### When

Friday evening 4th March 2005  
The work will be shown as part of the Gleem  
Light Sculpture Festival in association with AK05.

### Where

Corban Estate Arts Centre  
Entrance off Mt Lebanon Lane, Henderson.

### Artist Biography

Born in Wellington in 1975.  
Work involves abstract photography, video  
installation, body art, documentary, street art.
